Cardiovascular Disease in Africa

First all-Africa Cardiovascular Symposium
Held at the
University of Ibadan, Nigeria, March 15th–18th, 1976

Edited by:
Prof. O. O. AKINKUGBE, M.D., University College, Ilorin, Nigeria

Sponsored by CIBA-GEIGY Limited

Contents

Participants 9

Preface
O. O. AKINKUGBE 13

Cardiomyopathies

Idiopathic cardiomegaly in Africa
A. C. IKEME 15

Caractéristiques et problèmes des cardiomyopathies chroniques
E. BERTRAND, J. RENAMBOT, J. CHAUVET, A. EKRA 24

Idiopathic cardiomegaly – A sequel to viral myocarditis?
C. O. ADESANYA, A. H. GOLDBERG, W. P. C. PHEAR, K. A. THORP, N. A. YOUNG, W. H. ABELMANN 32

Idiopathic cardiomegaly in Ibadan revisited
A. O. FALASE, A. FABIYI, E. O. OGUNBA 37

Obscure cardiomegaly from a cardiovascular survey
A. C. IKEME, J. M. BLANKSON, E. B. LARBI, J. O. M. POBEE, D. J. POLE 42

Cardiomyopathy in young Kenyans
D. M. SILVERSTEIN, S. K. SHAH, M. M. WARSHOW, D. P. HANSEN, H. P. OJIAMBO 48

Methodology of a multiphasic cardiovascular survey in the tropics
D. J. POLE, J. M. BLANKSON, A. C. IKEME, E. B. LARBI, J. O. M. POBEE, H. WILLIAMS 51

A computerized cardiac register – 12 months' experience
D. J. POLE, J. O. M. POBEE, A. C. IKEME, E. B. LARBI, A. JOHNSON 56

Endomyocardial fibrosis

Endomyocardial fibrosis
E. H. O. PARRY 61

The pathogenesis of arterial oxygen desaturation in right ventricular endomyocardial fibrosis
F. JAIYESIMI, O. O. AKINYEMI, A. O. FALASE 73

Aspects angiocardiographiques et phonomécanographiques de la fibrose endomyocardique constrictive
E. BERTRAND, J. RENAMBOT, J. CHAUVET, A. EKRA 79

Le traitement chirurgical de la fibrose endomyocardique constrictive
E. BERTRAND, J. RENAMBOT, J. CHAUVET, M. ODI ASSAMOI, A. EKRA, C. DUBOST 83

Hypertension

The epidemiology of hypertension in Africa
O. O. AKINKUGBE 91

Ranges of arterial blood pressures in African children
J. M. BLANKSON, A. C. IKEME, E. B. LARBI, J. O. M. POBEE, D. J. POLE 101

Biracial studies of arterial pressure around the first decade of life
O. O. AKINKUGBE, H. SOLOMON, K. FRENCH, F. M. AKINKUGBE, R. MINEAR 107

The significance of elevated blood pressures in children
A. C. IKEME, J. M. BLANKSON, E. B. LARBI, J. O. M. POBEE, D. J. POLE 112

Longitudinal studies of blood pressure in school children
A. B. O. O. OYEDIRAN 117

Some studies on indirect blood pressure recording in the Nigerian adult
A. ADETUYIBI, J. B. AKISANYA, D. D. O. OYEBOLA 122

Hypertensive heart disease in an urban population
E. B. LARBI, A. C. IKEME, J. O. M. POBEE, D. J. POLE, J. M. BLANKSON 126

Where, when, and how should hypertension be managed in the African context?
Panel discussion 132

Malignant hypertension in Nigerians
V. O. OVIASU 136

Salt taste threshold and blood pressure levels
AC. IKEME, S. DAKUBU, E. B. LARBI, J. O. M. POBEE, H. H. PHILIPS, D. J. POLE, J. M. BLANKSON 142

Antihypertensives: Profile in therapy
G. M. P. MWALUKO, W. J. MAKENE 147

The role of hypertension in the aetiology of idiopathic cardiomegaly
A. O. FALASE 153

Electrocardiographic changes in systemic hypertension
S. M. LODHA, W. J. MAKENE 157

Treatment of hypertension
L. A. SALAKO 164

Observations on the pathophysiology of hypertension and its treatment with sympathetic blocking drugs
S. H. TAYLOR 172

An evaluation of the role of oxprenolol in the treatment of hypertension in general practice
W. A. FORREST 181

Red cell and serum cations of normal and hypertensive Nigerians – preliminary studies
A. F. ADEROUNMU, L. A. SALAKO 187

Clinical trials and monitored release studies in hypertension
D. M. Burley 191

Studies on the sodium excretory response of Nigerian hypertensive patients to saltloading, frusemide, angiotensin and prostaglandin
A. Adetuyibi, J. B. Akisanya, D. D. O. Oyebola 200

Oxprenolol (®Trasicor) and methyldopa in mild or moderate hypertension: A multicenter comparison in adult out-patients
A. F. Adi, J. M. Aminu, N. O. Azinge, J. K. Bandoh, E. B. Larbi, J. O. Lawani, A. F. B. Mabadehe, O. Onuogo, J. O. M. Pobee 205

Evaluation of the antihypertensive effect of timolol maleate (®Blocadren) in patients with mild to moderate hypertension
O. Ogunyemi, B. O. Okuwobi 210

Rheumatic heart disease and infective endocarditis

Cardiopathies rhumatismales en Afrique
P. Koate, S. Diouf, M. B. Kebe 214

Infective endocarditis today: An African comparison
K. Somers 233

An epidemiological study of rheumatic fever and rheumatic heart disease in Lagos
O. Ogunbi, H. O. Fadahunsi, I. Ahmed, A. Animashaun, S. O. Daniel, D. U. Onuoha, L. Q. O. Ogunbi 240

Pattern of rheumatic valve disease in Nigeria
T. O. Cole 246

Pattern of rheumatic heart disease in Tanzania
W. J. Makene, S. M. Lodha 251

Left ventricular function in rheumatic heart disease – A haemodynamic study of patients with severe mitral stenosis in Kenya
D. M. Silverstein, D. P. Hansen, M. M. Warshow, S. K. Shah, H. P. Ojiambo 256

Endocardites infectieuses en milieu africain
P. Koate, C. Quenum, S. Diouf, N. Padonou 259

Rheumatic heart disease and infective endocarditis: The problem in cardiological practice in Africa
P. G. D'Arbela 266

Ischaemic heart disease

Ischaemic heart disease in East Africa
W. J. Makene 275

Ischaemic heart disease in Africans as diagnosed by response to questionnaire on chest pain and by electrocardiographic evidence – Preliminary report
J. O. M. Pobee, A. C. Ikeme, E. B. Larbi, D. J. Pole, J. M. Blankson 282

Cerebrovascular disease

Stroke in the African
B. O. OSUNTOKUN 288

The pattern of cerebrovascular disease in the young African: The Ibadan experience, Nigeria
O. BADEMOSI 302

Paediatric cardiology and puerperal cardiomyopathy

Paediatric cardiology in Africa
A. U. ANTIA 308

Electrocardiographic abnormalities during measles
F. JAIYESIMI 313

Puerperal cardiomyopathy
K. L. STUART 320

Peripartum cardiac failure – A reappraisal of the concept
C. O. ADESANYA 325

La myocardopathie du post-partum
E. BERTRAND, J. LANGLOIS, J. RENAMBOT, J. CHAUVET, A. EKRA 331
